SCMAO partners with Canadian All Care College to Expand Pathways to the CSCMP Designation

Supply Chain Management Association Ontario (SCMAO) and Canadian All Care College have reached an agreement that will provide an efficient path for graduates of the school's *Supply Chain Management and Logistics Diploma* program to pursue their Certified Supply Chain Management Professional (CSCMP) designation - at a faster rate.

Today's global market demands skilled practitioners to support the management of complex supply chains. SCMAO's Designation Program meets this need and equips those seeking to launch or accelerate their career with the necessary skills to work at a management or executive level.

Many designation holders find having the designation helps them progress within their career and contribute at a strategic level within their company.

"At Canadian All Care College, we extend our deepest gratitude to SCMAO for their invaluable partnership. Together, we are shaping the future of the supply chain industry, guiding new students towards the right qualifications, and ensuring they meet the evolving demands of the job market."

"At SCMAO our brand promise is to be Canada's largest community of supply chain professionals, committed to supply chain excellence. The supply chain profession has never been more vital to the progress of the Canadian economy and as the profession continues to be in the spotlight, we are on a steadfast path to deliver on our purpose: to promote awareness of the important role of supply chain management, as well to professionalize the industry through the CSCMP Designation - Canada's leading designation for supply chain professionals." -says Himani Dureja, VP of Education and Corporate Engagement.

As a graduate of the *Supply Chain Management - Global Logistics* program if you obtained a minimum of 75%, you will be exempted from the following CSCMP program components

- Module 2: Procurement Strategy and Supply Management
- Module 3: Inventory, Logistics Management and Transportation
- Module 4: Operations and Process Design Management
- Workshop 2: Art of Negotiation
