SCMAO partners with University of Windsor to Expand Pathways to the CSCMP Designation

Supply Chain Management Association Ontario (SCMAO) and University of Windsor have reached an agreement that will provide an efficient path for graduates of the school's Master of Management, Logistics and Supply Chain Management program to pursue their Certified Supply Chain Management Professional (CSCMP) designation – at a faster rate.

Today's global market demands skilled practitioners to support the management of complex supply chains. SCMAO's Designation Program meets this need and equips those seeking to launch or accelerate their career with the necessary skills to work at a management or executive level.

Many designation holders find having the designation helps them progress within their career and contribute at a strategic level within their company.

"The University of Windsor's Odette School of Business is pleased to be partnering with SCMAO to offer our students enhanced access to a large network of supply chain professionals and a convenient path to a highly valued professional designation. This partnership reflects our continued commitment to providing students and graduates with opportunities to grow and develop their careers." -Dr. Brent Furneaux, Master of Management Program Director and Supply Chain Management & Business Data Analytics Professor

"At SCMAO our brand promise is to be Canada's largest community of supply chain professionals, committed to supply chain excellence. The supply chain profession has never been more vital to the progress of the Canadian economy and as the profession continues to be in the spotlight, we are on a steadfast path to deliver on our purpose: to promote awareness of the important role of supply chain management, as well to professionalize the industry through the CSCMP Designation - Canada's leading designation for supply chain professionals." -says Himani Dureja, VP of Education and Corporate Engagement.

As a graduate of the Master of Management, Logistics and Supply Chain Management program, if you obtained a minimum cumulative GPA of 60%, you will be exempted from the following CSCMP program components:

- Module 1: Foundations of Supply Chain Management
- Module 2: Procurement Strategy and Supply Management
- Module 3: Inventory, Logistics Management and Transportation
- Workshop 1: Effective Leadership
- Workshop 3: Importance of Communication

About the University of Windsor:

The Odette School of Business is Canada's southernmost business school, part of the University of Windsor and located in the city of Windsor in Ontario, Canada. Odette develops innovative and socially responsible business leaders who thrive in a changing world. While faculty take the lead in academics, the Windsor region's business community plays key supporting roles in helping students learn beyond the classroom. Odette students focus on academics, personal growth, experiential learning, and career preparation.

About SCMAO:

Supply Chain Management Association Ontario (SCMAO) is one of Canada's largest communities for supply chain professionals, with over 3,500 members and a broader community of 10,000+ supply chain professionals. Our vision is to elevate the profession, making careers better for members, by ensuring global competitiveness, innovation and elevation of the supply chain profession in Canada.

Anchored by a legacy of 35 years and fueled by a vision that has the future of supply chain at its core, the rebranded SCMAO is committed to strengthening the supply chain network, which embodies end to end supply chain and its key functions. The supply chain profession has never been more vital to the progress of the Canadian economy and at SCMAO we want to continue building the momentum that supply chain has garnered in the past few years.
